ON OFF

物件与人，关系何处探寻。
三维解构，数理何从算起。
匠心慧意，创想何究其尽。
自省日常，思辨何以设计。

HOII DESIGN

我们是好奇星人，不断追问自己边界在哪里；
我们是观察者，试图用设计探讨人与物的关
系；我们是发明家，从不停止思考和尝试。

我们是以设计。

We are curious - always looking for ways to break through boundaries. We are observers - always using design to explore the relationship between people and objects. We are inventors - always developing creative concepts through continuous experimentation.

We are HOII DESIGN.
